One who is over 17 must enter into an adult expertise level. There are three adult levels, Novice, Intermediate and Open. Categories have been designated for each of the three levels. Show Rules list competition categories. They are also listed below. Categories also have a designation number to represent the competition level and category. The categories numbered in the 100 series are for Novice, 200 series are Intermediate and 300 series are for the Open Level as shown below:

There is a limit of 2 carvings per individual entrant per category.

Registration

An Entry Form is required for each carving entered into Show Competition. Forms are available on the TWG website and at the Hill Country Youth Event Center. Print and fill out Form and present with the carving when you or your appointed Member bring your entry up to the Registration Desk. This will help speed up the process. The Registration Desk will begin taking entries at 1 PM Friday April 21, 2023 at the Hill Country Youth Event Center. Friday Registration begin at 1 PM and will end at 5 PM. We will have 3 lines open, 1 for each adult level, Youth and Junior should register in the Novice Line. For those who could not bring their entry in on Friday, a short period of registration will be available on Saturday April 22, 2023 from 7 AM to 9 AM. Judging will begin at 9AM starting with Club and Exhibitors Tables.

Some Members may be unable to attend the Show but would still like to register their carvings in the competition. The Guild will allow those carvings to be entered by another Guild Member who is willing to bring their carvings in for competition. The absent Member is still required to pay Membership dues and the Event registration fee. In addition, every entry will have a \$5.00 entry fee. The Member bringing absent Member's carvings in to register must pick up the badge of the absent Member at the registration table before entering the competition. The badge must be presented at the competition registration table and the name on the badge must match the name on the entry form for the carving to be properly registered. Please contact Show Chair for more information-Robert Rangel 210-669-3181

If your name is on the carving, please cover it with blue painter's tape or something else suitable before you bring it up to be registered.

Registrar will assign an identification number to the carving and enter on the form and place a sticker on the carving with the same number. The identification number (ID) assigned during Registration is unique to the entrant. The Judges will use the ID when determining and assigning awards. The form remains with the Registrar after registration.

Once a carving has been registered, it will be passed to the holding area to be judged and its category cannot be changed unless the Show Chair or Judges deem it necessary.
