Ginger Lee Seurkamp, 78, passed away on Saturday, November 23, 2024.

Our deepest sympathy goes out to Ginger's husband Harry Seurkamp. Ginger was an active member of the Texas Woodcarvers Guild. She taught many non-carving seminars through the years and was active in many events at the guild. She also assisted her husband Harry in setting up and maintaining the guild's carving museum in Cleburne, Texas.

Ginger was a lovely person who was kind to all she encountered. She will be missed by all who had the good fortune to know her.
